

The **Soul of the Next Economy** is where the non-profit sector, government, business and educational institutions converge. Fueled through **innovation, collaboration, and corporate social responsibility** we come together to:

learn

learn about local and global social and development issues

connect

connect with peers, industry experts and other sectors addressing these issues

engage

engage in sustainable business oriented solutions to these issues

Hosted by:

with our Community Sponsor:

FEATURE EVENTS

Executive Roundtable

Bringing together diverse leaders in the business community to discuss CSR and the role business has in enhancing communities both locally and globally. The Executive Roundtable opens with Linda Coady, Chief Sustainability Officer for Enbridge Inc. and features business and community leaders from Calgary and area.

Lion’s Den Social Innovation Challenge

A unique opportunity that brought together change makers, mentors, and funders all focused on bettering society. Find an important social issue, tell us what solutions exist and then identify the gaps and opportunities in them.

OUR KEYNOTES

Frontiers in Social Responsibility

Wayne Visser

Chair in Sustainable Innovation and Professor of Integrated Value at Antwerp Management School.

Tackling Heropreneurship

Daniela Papi-Thornton

Deputy Director of the Skoll Centre for Social Entrepreneurship in Oxford’s Saïd Business School.
